Under circumstances re-

No. 165

Dy. Commissioner's Office
Tumkur District
Tumkur, 16th August 1880

To,

The Secretary to the Chief
Commissioner of Mysore.
Revenue department.

Sir,

I have the honor to submit that the holders of certain Inam Villages in this district solicit the grant to them of licenses for the retail sale of toddy, the produce of the date trees standing on their estates. The application is made on the ground that they cannot satisfactorily arrange with the Toddy contractors for the disposal of the produce of the date trees.

2. Under the Chief Commissioner's Proceedings No. 3697/30 dated 8th October 1873, Inamdars entitled to enjoy Sayer and Abkari, "are at perfect liberty to lease out the date trees situated in their villages to the Government contractor or to utilize them in any way, except by vending liquor without a license from Government."

3. Para 8 of the agreement with the present toddy contractors prohibits any interference on their part with the rights of the holders of Inam

Inam and Rayengootta villages, and in a recent case in which Messrs Davy Hooddappa and Co complained to me that the holder of an Inam village extracted toddy from the date trees on his land for manufacturing Jaggory, I have had to dismiss the complaint, as under Section 64 of the Excise Act of 1871, the owners of date trees are not prohibited from selling or possessing toddy for the manufacture of Jaggory or Molasses.—

4.— But in the case of those who are unable to settle with the Contractor and who therefore wish to sell the toddy by retail, it would be advisable to grant them licenses under the Act, and as no fee has yet been prescribed for such licenses, I request the Chief Commissioner's orders on the subject.—

I have the honor to be,
Sir,
Your most obedient servant.

Sir,

Adverting to my letter No 165 dated 13th Ultimo soliciting instructions regarding the issue of licenses to the Inamdars entitled to Toddy revenue for the retail vend of toddy, the produce of date trees on their estates, and observing that they are at liberty to sell or possess toddy for the manufacture of Jaggory or Molasses, I have the honor to submit for information copy of a letter No 35 dated 23d Ultimo, from Messrs Davy Hooddappa and Co, the Toddy Contractors, urging that

that none but themselves have a right to sell the toddy for any purpose whatever. I am of opinion that this contention cannot hold good under Section 64 of the Excise Act I of 1871, the provisions of which are quite explicit, and the Chief Commissioner's Proceedings No 3697/30 dated 8th October 1873 gives to the Irandars entitled to enjoy Sayer and Abkari, the right to dispose of the toddy drawn from their trees in any way they like except by vending without a license, which, as I understand, refers to the retail vend of the article for drinking and not manufacturing purposes.

2- Messrs Devy Moodaliappa and Co. state that para 8 of their Contract bond has been misconstrued, but I fail to see any grounds for such a contention.

Sir,

In reply to your Docket No
172 of the 16th Instant we have
the honor to state we think there
is a misapprehension regard-
-ing the meaning of para 8 of
our Contract Bond. It is true
certain Jaghiredars, and others,
have a right of Toddy revenue
but no one has a right to ex-
-tract, and sell it for any pur
-pose, that being a monopoly
granted by Government to us
only, in this District. We should
feel greatly obliged by having
this matter settled at your

earliest convenience.
